Should you do crazy things when you turn 18 just because you **(0) legally** can? **0 LEGAL**

Some teens think it is **(1)** \_\_\_\_\_ to get out of control just because they are of **1 ACCEPT**

legal age. It is not OK. I think being 18 years old should make teens become more

responsible and mature instead of **(2)** \_\_\_\_\_ and stupid. **2 CARE**

At 18, you have to be more **(3)** \_\_\_\_\_ for your actions, so doing crazy things **3 ACCOUNT**

should not be an option. At that age, people expect more from you because you are not a child anymore. You are **(4)** \_\_\_\_\_ an adult. You are at the age when you can start working, get your own apartment or go off to college and live alone.

**4 CONSIDER**

The age of 18 is a transition from your young adult years to adulthood. You have to be **(5)** \_\_\_\_\_; it is not the start of your wild years where you get crazy just

because it is legal. You can still have fun, but remember that people are watching. You

will still make mistakes as you try to find your way, but do not forget everything you were taught. **5 CONSCIENCE**

The law is **(6)** \_\_\_\_\_ on legal teens than minors, so you should keep that in mind. Being legal and being grown up are two different things. Have fun while you are young and live life to the **(7)** \_\_\_\_\_, but make wise decisions and choices because it will affect your future.

**6 HARSH**
